

# Syllabus-Class III

The current curriculum has been designed according to the CCE norms laid by CBSE. The main focus is on the overall development of child. Holistic approach is applied to make child happy, fulfilled and excited to learn new things. Self esteem and confidence should also develop with the learning process.

Parents are requested to send books and note books according to time table given.

Assessment Techniques: - Equivalent and teaching go hand in hand. Assessment techniques has been designed to evaluate the child's all round development and day to day performance. Our aim is teaching by doing.

1. The child will be assessed on the basis of written as well as oral tests.
2. If child is absent in any test, he/she will be marked absent.
3. There will be surprise tests.
4. Only grades will be awarded at the end of year.

Exam Schedule: Two terminal examination SA1 & SA2 will be held during the year besides two unit tests FA2 & FA4.

FA2:	Month of May
FA4:	Month of December
SA1:	Month of September
SA2:	Month of March

Internal Assessment will be evaluated in the examination.

Grades of general assessment will be based on the following points:-

- (i) Neatness of school uniform, books and note books.
- (ii) General behavior of child in class like discipline, attentiveness, respect for teachers and elders, care for school property.
- (iii) Response in class
- (iv) Participation in various activities.

We believe love, understanding, support and encouragement make education interesting and adventurous for children. This joyous journey journey, not only develops their intellectual capabilities but also help them to become successful human beings.
