

Syllabus-Class I

The current curriculum has been prepared according to the rules and regulations laid by CBSE, The main focus is on the overall development of the child. A child should be happy, fulfilled and excited to learn new things. Self esteem and confidence should also develop with the learning process.

Parents are requested to send the books according to the time table given.

Assessment Technique:- Evaluation and teaching go hand in hand. Our assessment techniques has been designed to evaluate the child's all round development and day to day performance in the class. Our aim is teaching by doing.

1. The child will be assessed on the basis of written as well as oral test.
2. If the child is absent in any test, he/she will be marked absent.
3. Written tests will be shown to the students.
4. There will be surprise test.
5. Only grades will be awarded at the end of the year.

Exam Schedule:

1. Two terminal examination SA1 and SA2 will be held during the year besides two unit tests FA2 and FA4.

FA2 : Month of May

FA4 : Month of December

SA1 : will be held in the month of September SA2 will be held in the month for March.

2. No prior test will be taken.

2. Internal Assessment will be evaluated in the Terminal Examination Grades of General Assessment will be based on following points:-

1. Neatness of school uniform, books and note books.
2. General behaviour of the child in the class which includes discipline, attentiveness in class respect for their teachers and elders, care for school property.
3. Response in the class.
4. Participation in various activities

Activities: Love, understanding support and encouragement make education interesting and adventurous for children. This joyous journey

not only develops their intellectual capabilities but will also help them to become successful human beings.

Grammar : Revision of all Grammar Syllabus

Revision and SA2

Stories : "The Greedy Dog"

Once a dog found a piece of meat. He wanted to eat it in a lonely place. On the way while crossing a bridge, he looked down into the water. He saw his reflection. He thought that it was another dog with a piece of meat. He barked at it. The piece of meat fell into the water. The dog lost his own piece of meat.

Moral of the story is :- We should not be greedy.

"The Capseller and The Monkeys"

Once upon a time there was a cap seller. He used to go to the town everyday to sell his caps. One day he sat under a tree and fell asleep. When he woke up, he could not find his caps. As he looked up he saw the monkeys wearing his caps. He thought of an idea. He hit his cap at the monkey and in return the monkeys threw the caps at him. He collected all the caps and went home happily.

The moral of the story is:- "We should have presence of mind."

Conversation

"MY SELF"

1. Ques :Who are you ?
Ans : I am a boy/girl.
2. Ques :What is your name ?
Ans : My name is
3. Ques : How old are you ?
Ans : I am six years old.
4. Ques : Where do you live?
Ans : I live in Ludhiana.

Ans : The name of my school is GNI Public school.

2. Ques : Where is your school situated ?

Ans : It is in Bhai Randhir Singh Nagar (BRS Nagar).

3. Ques : Which subjects do you study in school ?

Ans : I study English, Maths, E.V.S., Punjabi etc.

4. Ques : Which games do you play in school ?

Ans : I play football and handball.

5. Ques : Is there a computer room in your school ?

Ans : Yes there is a computer room in my school.

MY CLASS ROOM

1. Ques : How many students are there in your class ?

Ans : There are thirty four students in my class.

MATHS

Books Prescribed
New Speed Mathematics

April

- Serial Counting 1 to 200
- Number Name 1 to 30
- Numerals 1 to 30
- Reverse counting 50 to 0
- Name of the shapes Circle (O), Square (□)
- Table of 2, 5 and 10
- Additions sums of two digits simple
- Activity : Count by 2's, 5's, and 10's
- Assignment : Two assignments will be given on covered syllabus.

May

- Subtraction sums of two digits simple
 - Maths book page 5 to 38
 - Activity : Draw and colour figure using different shapes.
 - Assignment : Two assignments will be given on covered syllabus.
- REVISION
- FA2 (Formative Assessment 2)

July

- Serial Counting 201 to 300
- Number Names 31 to 40
- Numerals 31 to 40
- Reverse Counting 70 to 0
- Name of the shapes- Circle (O), Square (□), Triangle (△)
- Table of 3 and 4
- Addition sums of two digits (With carry)
- Activity : Ascending order
- Assignment : Two assignments will be given on covered syllabus.

August

Subtraction sums of two digit simple.

Maths Book Page 39 to 77

Activity : Descending order

Assignment : Two assignments will be given on covered syllabus.

REVISION

September

SAI (Summative Assessment 1)

Serial Counting 301 to 400

Reverse Counting 100 to 0

Number Names 41 to 70

Numerals 41 to 70

Name of the shapes- Circle (O), Square (□), Triangle (△), Oval (○) and Rectangle (▭)

Activity : Count by 3's and 4's

Assignment : Two assignment will be given on covered syllabus.

October

Addition sums of two digits (with carry)

Subtraction sums of two digits (with Borrowing)

Table: Written, Dogging, and oral (2 to 6)

Activity : Addition on number line.

Assignment : Two assignments will be given on covered syllabus.

November

Multiplication sums simple

Maths Book Page 78 to 116

Activity : Subtraction on number line.

Assignment : Two assignments will be given on covered syllabus.

December

REVISION

FA4 (Formative Assessment 4)

January

Serial Counting 401 to 500

Reverse Counting 200 to 0

Number Name- 71 to 100

Name of the shapes Circle (O), square (□), Triangle (△),
Rectangle (▭), oval (⊖) and semi-Circle (◐)

Additions sums of two digits (with carry)

Subtraction sums of two digits (with borrowing)

Multiplication sums (simple)

Activity : Draw and colour shape

Assignment : Two assignments will be given on covered syllabus.

February

Division sums (simple)

Table-Written, Dogging, and oral 2 to 7

Maths Book Page 117 to 148

Activity : Make a model of clock

March
