

# Syllabus-Class IV

The current curriculum has been designed according to the CCE norms laid by CBSE. The main focus is on the overall development of child. A child should be happy, fulfilled and excited to learn new things. Self-esteem and confidence should also develop with the learning process. Parents are requested to send books and notebooks according to time table given.

Assessment Techniques:-Evaluation and teaching go hand in hand. Assessment techniques have been designed to evaluate the child's all round development and day to day performance. Our aim is 'Teaching by Doing'.

1. The child will be assessed on the basis of written as well as oral tests.
2. If child is absent in any test, he/she will be marked absent.
3. Written tests will be shown to the students.
4. There will be surprise tests.
5. Only grades will be awarded at the end of year.

Exam Schedule:-

1. Two terminal examination SA1 and SA2 will be held during the year besides two unit tests FA2 and FA4.

FA2	:	FA2 will be held in the month of May.
FA4	:	FA4 will be held in the month of December.
SA1	:	SA1 will be held in the month of September.
SA2	:	SA2 will be held in the month of the March.

2. No prior tests will be taken.
3. Internal Assessment will be evaluated in the Terminal Examination.

Grades of general assessment will be based on the following points:-

- (i) Neatness of school uniform, books and notebook.
- (ii) General behaviour of child in class like discipline, attentiveness, respect for teachers and elders, care for school property.
- (iii) Response in class.
- (iv) Participation in various activities.

Activities: Love, understanding, support and encouragement make education interesting and adventurous for children. This joyous journey

not only develops their intellectual capabilities but will also help them to become successful human beings.
